SYNOPSIS OF THE SPEECH DELIVERED BY THE HON'BLE SPEAKER

Synopsis of the lecture delivered by Professor Arindam Chakrabarti in an international webinar held on 26th January, 2022 on “Vivekananda Samajtantrik Bharatdarsan”. Republic day is not our day of independence. It was first proposed by Bhimrao Ambedkar at the Historic Valedictory Address to the Constituent Assembly in the year 1950. After two and half year of independence several representatives accepted our constitution in 26th January, and this does not merely represent the people of India at the time. We the people of India refer to all our country men irrespective of time period.

Professor Arindam Chakrabarti explained the book *Bhartaman Bharat* by during it into twelve principles.

Swami Vivekananda always fostered the idea of sacrificing self-interest and sensual pleasure for the sake of the masses. He also opined for the socialistic educational system. A man has delivers ways to achieve extreme success in life. Each and every words that Swamiji Preached, were coined from Mahabharata.

SYNOPSIS OF THE SPEECH DELIVERED BY THE HON'BLE SPEAKER

Department of Philosophy, Hiralal Paul College, Nabagram, Hooghly, and IQAC of the college organized a State Level Webinar sponsored by Indian Council of Philosophical Research. In this Webinar, Dr. Pralayankar Bhattacharya, Prof. and Head of the Department of Philosophy, University of Calcutta, discussed Mahatma Gandhi's Philosophical theory of Action in the context of today's society. He then discussed Gandhi Ji's theory of non-violence. According to Gandhi, when non-violence is institutionalized, the conflict between violence and non-violence becomes apparent. He spoke about the history of man as well as the history of human consciousness. Discussing the subject of freedom, he says that the word 'freedom' itself contains subordination. He explained various meanings of freedom. The speaker also talked about Gandhi's view of self-perfection. According to Gandhi ji, one accepts the many, must be abandoned and meditation should be practiced. Without being overly strict with other's opinions, if we look for truth in the opinions of others with faith then a peaceful life can be achieved. Through this discussion of the speaker, we have discovered many new information about Gandhi Ji's theory of knowledge.
