Initiatives to implement NEP 2020 in the Economics Department, NHLPC

Keeping in mind, the rapid changes in the fields of scientific and technological knowledge in the global scenario, rise of big data, machine learning, artificial intelligence, the NATIONAL EDUCATION POLICY 2020 has been formulated by the GOVERNMENT OF INDIA. The NEP 2020 is founded on the five guiding pillars of Access, Equity, Quality, Affordability and Accountability. In Higher Education, NEP, 2020 renders precious modality and recommendations on various aspects of education that reckons moving towards multidisciplinary and holistic education, institutional autonomy, promotion of quality research through establishment of National Research Foundation, continuous professional development of teachers, integration of technology, internationalization of higher education, restructuring of governance and regulatory architecture, multidisciplinary curricula, engaging blended, pedagogy, valid reliable and blended assessment and availability of content in Indian languages. The policy is expected to bring long-lasting positive impact on the education system and making India a global hub of skilled academic human resources. With climate change, depleting natural resources, there has been concern for meeting the world's energy, water, food and sanitation requirements. Education has thus moved away from pedagogy to experiential, holistic, learner-centric activity, which promises to blend the sciences with humanities and include multidisciplinary courses. This will be in keeping with the idea of education that can build character, rationality and at the same time prepare the students for gainful employment. Skill development is encouraged in the NEP 2020.

Our college has taken several initiatives to implement NEP 2020 in the departments following the guidelines and curricula provided by the University of Calcutta.

Our teachers have participated in Seminar & Workshops on National Education Policy 2020 to understand the moto of NEP 2020 and implement the same in or

college affiliated to Calcutta University. The certificates of participation of the teachers are given below.

Introducing Multidisciplinary Approach:

Accepting the spirit of NEP 2020, our department along with other departments of our college offered Inter Disciplinary Courses across all subjects of Arts and Science. Moreover, our department offered both B.Sc Major in Economics with Mathematics and Psychology Minor as well as B.A. Honours in Economics with Mathematics and Political Science Minor. In addition to this, we have offered CVAC as well as SEC courses as per Calcutta University norms.

Flexible Curriculum:

Our Economics Major as well as Minor course are offered to both B.Sc and B.A. students of our college. If a student opts for Economics major, he/she has to take Mathematics as per Calcutta University norms. Our department showed flexibility of offering Psychology as Minor from Science group as well as Political Science Minor from Arts group as per new admission regulation of Calcutta University given below.

<https://s3.ap-south-1.amazonaws.com/caluniv/news/CSR-05-admsn-regu-4yr-BA-BSC-H.pdf>

This is the first time Psychology is offered as a Minor with Economics Major by any college under Calcutta University. Our Economics Major students can take allied subjects like Sociology, Political Science, Education, History or any language of his/her choice as IDC. Moreover, Economics is offered as Minor to both B.A. as well as B.Sc. Students. Our department is taking classes of Inter Disciplinary Course of B. Com. Students also. One of our departmental teacher is piloting the CVAC course of Environmental Studies both in first and 2nd semester students.

Use of Technology:

We are extending and utilizing the online resources and power point presentations developed during Covid lock down out of compulsions to complement our existing chalk and talk method. All of us are connected with our classes through WhatsApp groups and we have recently created WhatsApp community to make common announcements to students of all semesters within a second. One of our departmental teachers is using YouTube link as well as Google Classrooms to cater academic service to students. He has also developed a Google Doc file on his own to provide students precise links and additional materials and power point presentations. Some of us are using Google Form Quiz to take surprise multiple choice tests of students. One of our departmental teachers are empaneled as Academic Counselor to give online counselling on the topic at the prescribed time and venue stated below:

Course Code: BECC101

Timing: 03:50 pm to 04:50 pm

Start Date : 7th June, 2023 (six such classes of this paper)

initiated by Indira Gandhi National Open University (IGNOU). IGNOU has initiated live streaming of online counselling of UG Programmes under CBCS courses through Swayam Prabha Channels in Regional Language (Bengali). He has directly participated in catering National Education Policy in Bengali language.

Course Code: BECC101

Timing: 03:50 pm to 04:50 pm

Date : 7th June, 2023

Collaboration with other Institutions:

We are sharing our expertise and intellect with the faculties of different colleges through Faculty Exchange Programme both in offline as well as online mode. This is helping both of us equipped to offer flexibility in offering flexibility in subjects as

Internship:

New Education Policy 2020 introduced compulsory Internship for students who will leave the college in even semesters either with certificate (2nd sem), diploma (4th sem), either 3 years MD or Honors degree (6th sem) and 4 years Honors With & Without Research (8th semester). Our department is trying to contact companies who are eager to give such Internships like Internshala, Take-media, Magic Bus Foundation provided company, TCS, NAANDI of Mahindra Foundation etc. We are waiting for Calcutta University norms regarding Internship of students. Students may engage in social or conduct socio-economic survey of neighboring community under a registered institution. Introduction of internship will open up the scope of students applying their skill sets learned during the under Graduate study before entering job market.

Our department has taken initiative in all respect to inculcate holistic approach in catering knowledge of Economics among the entire society. We have adopted multidisciplinary approach as per Calcutta University admission regulations. By teaching Arts, commerce and Science students, we are working to keep our subject multidisciplinary in nature because not only as IDC, but as Minor also, both Arts and Science stream students can learn Economics. On the other hand, our department manifested flexibility by offering our Major students option to remain in Science taking Psychology and Arts taking Political Science. Our teachers are pioneering CVAC course as well as participating in National venture to teach Economics in regional language. Teachers of our department are working hard to adopt technology using google classroom, youtube etc. And moreover, they are trying to innovate new method of reaching students using google docs in precise manner along with using social media to connect with students 24x7. Apart from developing their academic and life skill set, our department is aiming at application of those skill sets by the students either in society or in economy in order to make them job-ready human resource.
