functions of a retail store, how all the departments can act in a store etc. There, they were interacted with the HR manager Mr. Sanatan of the company; he explained the functions of the various departments as per their work procedures. After the Introduction period, students gathered knowledge about the products.

Few documents regarding the project reports are attached herewith.

Outcomes of the visit:

- To help students to understand the function of the industry
- To get the opportunity to interact with the experts
- To gather an experience of the real working environment
- Helps to enhance their interpersonal skills
- To develop confidence among the students.
